***SCHOA BOARD
TAKES THE RATE CASE TO THE NEXT LEVEL!***

Following the Arizona Corporation Commission ruling on June 13th in favor of consolidating the EPCOR Wastewater districts, the Sun City Home Owners Association held a special Board Meeting on Thursday, June 15th. The purpose of this meeting was to determine what the next step would be for SCHOA; whether or not to appeal this decision.

The Board of Directors voted unanimously to appeal the decision of the commissioners and to continue its "Fight for Sun City Residents." The ACC commissioners voted four to one in favor of consolidation. Commissioner Burns was the sole dissenter.

When the Commission affirmed its law judge's recommendation to fully consolidate all the EPCOR wastewater districts, SCHOA communicated to the Sun City community the need for their support. SCHOA immediately established a Rate Case Litigation Fund to generate funds that are required for the appeal. Due to initial donations received from residents in support of the appeal, the SCHOA Board made the decision to begin the appeal process. Many citizens have made it loud and clear that it is totally unfair to ask the many residents in the Sun City District whose income is already considerably below the poverty level, to pay for rate relief of the wealthy gated community ratepayers. We agree, it is unfair to all Sun City and Youngtown ratepayers period. This is worth the continued fight.

The SCHOA Board commends the initial residents' spirited donations. The rest of Sun City and Youngtown ratepayers need to step up now and add their donation to the effort. If all residents who are financially able, make a donation, no matter how large or small, we will be successful funding the fight. SCHOA thanks all the District donors in advance. Please act now!

Donations to the Rate Case Litigation Fund are to be made out to SCHOA and mailed to 10401 W Coggins Drive, Sun City, AZ 85351. For further information, contact Marketing@suncityhoa.org.
